Work Experience

Justcode Software Development

Nov 2021 - Nov 2022

- Design and development of websites and web applications, including as dashboards, e-commerce sites, and hospital-related CRMs.
- Completed six projects on my own while maintaining the website's user interface.

ABOUT ME

Hello there, This is Yamin. As a front end web developer, I have 1.5+ years of experience. I had accomplished several projects in the aforementioned industries: real estate, e-commerce, and health. I have strong understanding of React & CSS. I love to learn new technologies and currently I'm learning backend technologies.
